

HPD UNIQUE IDENTIFIER: 981471232

CLASSIFICATION: 09 80 00 Acoustic Treatment

PRODUCT DESCRIPTION: The original idea behind the decorative acoustic tile Airbloom is the most iconic symbol of nature: the blooming flower. Airbloom imbues the room with positive visual energy, while creating a more harmonious soundscape. As with the other Air series products, Airbloom offers a simple way to control sound and create separate areas without compromising the room’s openness. Airbloom is available in many colors, giving you plenty of freedom to create the acoustic screen partition you desire.
