Health Product
DECLARATION

Description

ARDEX PANDOMO® CF3™ is a self-drying, self-leveling, no troweling topping for fast-track resurfacing, smoothing or leveling of indoor concrete. Formulated with a blend of Portland and other hydraulic cements, along with special re-dispersable powdered polymers and selected sand aggregates, ARDEX PANDOMO CF3 can be installed from 1/4" to 1" (6 to 24 mm) in one operation, hardens quickly and can be lightly walked on in as little as 2 to 3 hours. Use ARDEX PANDOMO CF3 for producing high-end, creatively designed wear surfaces of ARDEX PANDOMO Floor and FloorPlus in commercial areas such as retail stores, shops, hotels, cafes and vestibules, or even for light industrial use.

Health Product Declaration v1.0 - hpdcollaborative.org - Page 1 of 4

The HPD Standard is solely a declaration of product content and direct health hazards associated with exposure to its individual contents. It is not a full assessment of environmental impacts from the life cycle of this product. It is not an assessment of risks associated with actual use of the product. It does not address the potential health impacts of substances used or created during manufacture that do not appear in the final product as residuals, nor substances created during combustion or other degradation processes.

This Health Product Declaration was generated following the requirements of the noted Standard version and is valid for a total of three years after date of issue or three months after a substantive change of product contents occurs. Users should verify that this Health Product Declaration is compliant with the most current version of the HPD Standard. Accuracy of claims made in this Health Product Declaration is the sole responsibility of the listed manufacturer and certifier (if applicable). The HPD Collaborative does not warrant any claim made herein, explicit or implicit. The HPD Standard is an “open standard” developed and managed by the HPD Collaborative, a nonprofit organization. For more information, visit hpdcollaborative.org.
