Manufacturer Address	Gerflor USA 595 Supreme Drive Bensenville, IL 60106	Contact Name	Kurt Holler Field Marketing Manager 8774373567 kholler@gerflorusa.com	

Description

Bring the outdoors in with Gerflor's Taraflex™ and its new, modern neutral colors and more than seven dynamic wood designs all stocked in the USA. This trusted product offers superior resistance to furniture and rolling loads found in multi-use gymnasiums, while providing great sports properties to athletes when considering shock absorption and comfort. It helps prevent both short and long-term injuries for all levels and ages of athletes and is the only resilient sports flooring with solutions in Class 1 through Class 4 of the ASTM F2772 standards for indoor sports floors.

The patented Triple Action ProtecSol floor treatment offers the optimal level of sliding, prevents skin burns and allows for easy maintenance. Taraflex is also FloorScore™ certified for high indoor air quality.

Taraflex Sport M Plus

- No. 1 solution for sport and multi-purpose arenas
- Suitable for all types of sports and leisure activities
- ASTM F2772 Class 2: ≥ 22% - < 33% shock absorption
- Dual density foam backing

The HPD Standard is solely a declaration of product content and direct health hazards associated with exposure to its individual contents. It is not a full assessment of environmental impacts from the life cycle of this product. It is not an assessment of risks associated with actual use of the product. It does not address the potential health impacts of substances used or created during manufacture that do not appear in the final product as residuals, nor substances created during combustion or other degradation processes.

This Health Product Declaration was generated following the requirements of the noted Standard version and is valid for a total of three years after date of issue or three months after a substantive change of product contents occurs. Users should verify that this Health Product Declaration is compliant with the most current version of the HPD Standard. Accuracy of claims made in this Health Product Declaration is the sole responsibility of the listed manufacturer and certifier (if applicable). The HPD Collaborative does not warrant any claim made herein, explicit or implicit. The HPD Standard is an “open standard” developed and managed by the HPD Collaborative, a nonprofit organization. For more information, visit hpdcollaborative.org.

CONTENT IN DESCENDING ORDER OF QUANTITY

All ingredients must be assessed for health warnings against Priority Hazard Lists, regardless of disclosure level. Priority Hazard Lists and information on the GreenScreen Benchmarks can be found at www.hpdcollaborative.org/hazardlists.
