Classification

09 65 16.23 Finishes: Vinyl Sheet Flooring

1.0

Health Product
DECLARATION

Description

Gerflor's Taralay Premium Compact is a multilayered calendared and pressed resilient sheet flooring with zero filler for outstanding abrasion and scratch resistance. It has a 1mm thick pure vinyl wearlayer with very densely pressed color chips within the entire thickness, and a matte finish. The fiberglass grid and compact backing provides durable two dimensional stability and superior traffic resistance to heavy rolling loads.

Taralay Premium comes with the ProtecSol2 Surface Treatment, ensuring superior resistance to chemicals and providing no wax, easy maintenance surface. It is FloorScore™ certified for high indoor air quality, low VOC (TVOC after 28 days < 10µg/m3), 100% allergen-free and REACH compliant.

Health Product Declaration v1.0 - hpdcollaborative.org - Page 1 of 4

The HPD Standard is solely a declaration of product content and direct health hazards associated with exposure to its individual contents. It is not a full assessment of environmental impacts from the life cycle of this product. It is not an assessment of risks associated with actual use of the product. It does not address the potential health impacts of substances used or created during manufacture that do not appear in the final product as residuals, nor substances created during combustion or other degradation processes.

This Health Product Declaration was generated following the requirements of the noted Standard version and is valid for a total of three years after date of issue or three months after a substantive change of product contents occurs. Users should verify that this Health Product Declaration is compliant with the most current version of the HPD Standard. Accuracy of claims made in this Health Product Declaration is the sole responsibility of the listed manufacturer and certifier (if applicable). The HPD Collaborative does not warrant any claim made herein, explicit or implicit. The HPD Standard is an “open standard” developed and managed by the HPD Collaborative, a nonprofit organization. For more information, visit hpdcollaborative.org.

CONTENT IN DESCENDING ORDER OF QUANTITY

All ingredients must be assessed for health warnings against Priority Hazard Lists, regardless of disclosure level. Priority Hazard Lists and information on the GreenScreen Benchmarks can be found at www.hpdcollaborative.org/hazardlists.
GS: GreenScreen Benchmark; **RC:** Recycled Content, **PC:** Post Consumer, **PI:** Post Industrial (Pre-consumer), **BO:** Both; **Nano:** comprised of nanoscale particles or nanotechnology
