Description

Heterogeneous resilient sheet flooring, 100% REACH compliant. Taralay Impressions features our ProtecSol surface treatment providing a true NO WAX FOR LIFE surface, reducing the amount of chemicals and water needed over the life of the product for maintenance. Taralay Impressions is also ISO 22196 certified to inhibit the spread of bacteria at 99.9%. The product is allergen free and FloorScore certified.

Health Product Declaration v1.0 - hpdcollaborative.org - Page 1 of 4

The HPD Standard is solely a declaration of product content and direct health hazards associated with exposure to its individual contents. It is not a full assessment of environmental impacts from the life cycle of this product. It is not an assessment of risks associated with actual use of the product. It does not address the potential health impacts of substances used or created during manufacture that do not appear in the final product as residuals, nor substances created during combustion or other degradation processes.

This Health Product Declaration was generated following the requirements of the noted Standard version and is valid for a total of three years after date of issue or three months after a substantive change of product contents occurs. Users should verify that this Health Product Declaration is compliant with the most current version of the HPD Standard. Accuracy of claims made in this Health Product Declaration is the sole responsibility of the listed manufacturer and certifier (if applicable). The HPD Collaborative does not warrant any claim made herein, explicit or implicit. The HPD Standard is an “open standard” developed and managed by the HPD Collaborative, a nonprofit organization. For more information, visit hpdcollaborative.org.

CONTENT IN DESCENDING ORDER OF QUANTITY

All ingredients must be assessed for health warnings against Priority Hazard Lists, regardless of disclosure level. Priority Hazard Lists and information on the GreenScreen Benchmarks can be found at www.hpdcollaborative.org/hazardlists.
GS: GreenScreen Benchmark; **RC:** Recycled Content, **PC:** Post Consumer, **PI:** Post Industrial (Pre-consumer), **BO:** Both; **Nano:** comprised of nanoscale particles or nanotechnology

Name	CAS RN	% weight	GS	RC	Nano	Role
Hazard A	Warning A

NOTES

All Gerflor products, including Taralay Impressions are 100% REACH compliant. REACH is the regulation for Registration, Evaluation and Authorization of Chemicals in the European Union. It aims "To improve the knowledge of the impact of chemical substances on human health and the environment and to restrict their use if appropriate". Only Europe has a standard in place to evaluate the impact of chemicals on human health and the environment. All Gerflor products are 100% REACH compliant and do not contain any substances subject to REACH restrictions.
